

Calistoga Health & Wellness Festival

January 9, 2010

11am-5pm

January is Wellness Month in Calistoga! Through out the month a series of events celebrates this Napa Valley town as a center for health & wellness. It kicks off with a city-wide fair unlike any other. Spas, restaurants, biodynamic wineries and health care professionals will hold open houses on January 9th to allow residents and visitors to explore what makes Calistoga a town of rejuvenation and healing. Silver Rose Resort and The Calistoga Chamber of Commerce will host a day of health screenings, seminars, healthy food demonstrations, sample massages and exercise classes to get your New Year off to a healthy start. **We invite you to participate in this event, booth rental is only \$25.**

The deadline to respond is November 2.
